Research Related Alternative Education News

Helen E. Lees
Independent Scholar

This is a list of items of interest to our readership. It comprises papers that have come out elsewhere and are worth consideration, notices of books under contract and published (some of which we may review in *Other Education* in due course) and research informed commercial activity of potential use to some readers. This is a new venture for *Other Education* and we welcome submissions and suggestions. We do not take queries from readers interested in information provided here: please follow the relevant link, if available. If you have an item for this **Research Related Alternative Education News** page, please contact Helen - editor@othereducation.org
